Hi Carol.

Now that I'm back in the office a bit more regularly and am trying to better organize all of my files and emails that have been piling up, I saw the below and was wondering whether you thought it might be worthwhile to submit an abstract for the Passaic River Symposium for you and me to give a joint presentation on the jobs aspect of the removal or maybe Bill Goode? Let me know if that's something that would be of interest to you. If so, I could draft up an abstract for submittal.

Thanks and I hope your summer is going well so far. Stay cool today and tomorrow!

Take care,

Liz

Passaic River Symposium V
Today's Status, Tomorrow's Perspective

Organized by the Passaic River Institute of Montclair State University
Friday October 19, 2012
Montclair State University Conference Center, 1 Normal Ave., Montclair, NJ
Symposium web site: www.csam.montclair.edu/pri/conferences

The fifth Passaic River Symposium will be a day-long event featuring the Lower Passaic River Restoration Project. The symposium will include invited keynote speakers and plenary sessions/presentations on all aspects of environmental management challenges relevant to the Passaic River Basin. This conference year will focus on sediment remediation as part of the Lower Passaic Interim Remedial Measure, the release of the Focused Feasibility Study, ecosystem restoration and environmental advocacy and public outreach efforts. Projects in the upper river and tributary watersheds will also play a prominent role in this conference.

REGISTRATION

On-line registration and mail-in registration forms are now available through the Symposium web site, www.csam.montclair.edu/pri/conferences. Mail registrations must be postmarked by October 10th. On-line registrations will be accepted until October 17th. Payment by credit card, check, or purchase order only. Registration fees (includes continental breakfast, lunch and book of abstracts):

Registration	\$115
Student Registration	\$ 40

CALL FOR ABSTRACTS

Abstracts are sought for platform (oral) presentations and posters on any environmental issue relevant to the Passaic River Basin and nearby watershed environments. . Abstracts will be selected for presentation based on their technical and policy merit and relevance to the Passaic River Basin. Platform presentation length will be 15 minutes, including questions. A book of abstracts will be distributed at the conference and placed on the conference website following the conference. All symposium presenters are required to register for the conference. Instructions for submitting an abstract can be found on the symposium website: www.csam.montclair.edu/pri/conferences.

Abstract submittal deadline: July 1, 2012
Notification of acceptance: August 1, 2012

SPONSOR AND EXHIBITOR OPPORTUNITIES

We invite private companies, government agencies, non-profit organizations and academic institutions to apply to sponsor and/or exhibit at the conference. If your organization is interested, please contact us at pri@mail.montclair.edu or call 973-655-5423. Exhibits should be appropriate for the symposium topics. Space is limited.

CONFERENCE LOCATION

The Symposium will be held at the Conference Center at Montclair State University on the 7th floor of the University Hall. It's a first-class conference center with a spectacular panoramic view of the Manhattan skyline. See www.montclair.edu/conferencecenter for information and directions.
